

November 19-23, 2018
Happy Thanksgiving Week!!!!

Important Events Happening This Week:

- No School for Thanksgiving Break – Wednesday, Thursday, and Friday
- No Homework Due - Wednesday

Homework is NOT being sent home this week. You get some extra time to finish last week's homework. Remember to have your child read and practice math facts over the long weekend.

If your child is interested in making the 60 point goal for the Winter Swimming Party for Reading Counts, please encourage them to keep reading and taking tests. Check in with them often and have them make a list of the book titles and authors of Reading Counts books that they can take a test on during school time. They usually have a specific time in class to take tests (if they want to do it) during our afternoon break. This is an extra activity at school and students DO NOT have to take Reading Counts tests if they are not interested in earning the prizes.

Please remember that the weather is much colder, and students will still be expected to go outside for recess. Make sure

your child wears appropriate outer gear to school to help them stay warm at recess. Thank you.

I wanted to thank you for coming to Parent/Teacher Conferences last week. I truly love this time to talk to you in person about how wonderful your children are and also ways to help them succeed more in second grade. I am very blessed to have such a great class of awesome kids and supportive parents. I love my job, and I am so thankful for YOU!!!!

There will be no school this Wednesday, Thursday, and Friday to celebrate Thanksgiving. I hope you enjoy this time with your precious children. Take time to talk, eat lots, play games, relax, and shop. Have a restful weekend.

Thank you again, parents, for all of your support. Call anytime if you have questions.
