

JANUARY

January 7-11, 2019

I hope that you all had an awesome holiday break, with lots of relaxation and play time with family. I certainly enjoyed my time off as well. We are getting back into the swing of things here at school with a more regular routine.

Important Events This Week:

- Reading Counts Skating Party (Only for students who have 60 points or more by Dec. 21) – Thursday
- Super U Challenge Assembly - Friday

There is new homework packets coming home this week, Wednesday, with your child. There will be 3 math pages in the packet. It will be due back the following Wednesday.

Please encourage your child to keep reading for Reading Counts. The students are allowed to take quizzes during any free time they have every day. They also get some additional time on Wednesdays and Fridays to work on Reading Counts.

The weather is especially cold outside, so please make sure your child has a winter coat, boots, snow pants, a hat, and mittens/gloves for recess. Each child will be expected to go outside for recess unless the wind-chill falls below 0. Thanks for your help with this.

Once again, I'd like to thank you for the amazing gifts I received over the holidays. You really know how to make a teacher feel loved. 😊 I am so grateful for all of the support you have given me this school year so far. I look forward to an exciting 2019. I cherish the relationships I am building with your wonderful children.

Thank you again, parents, for all of your support. Call anytime if you have questions.
