

# September

Hooray! We survived the first week of 2nd grade! I hope that your child learned some new things and had some fun as well. I also hope your child had some relaxation time and recovered over the weekend from such a busy first week of school.

This is the first edition of Mrs. Finkbeiner's 2nd grade newsletter. Look for it at the BEGINNING of the week, either Monday or Tuesday. It will contain some necessary information for that particular week.

First of all, we have a schedule for our special classes this year:

Physical Education: Wednesday and Thursday

Music: Wednesday and Thursday

Art: Tuesday

Library: Friday

S.T.E.M.: Monday

This will be our schedule every week this year. I will let you know of any changes that may arise.

A huge thank you goes out on my behalf to those parents who came to the open house. It was great to meet you all. An extra debt of appreciation goes out to parents who donated items to our classroom. What a joy it is to have such supportive parents!

Homework will begin on Wednesday of next week. I will send home a more detailed explanation of that with your child's homework folder next Wednesday.

If you send in lunch money for your child, please send it in an envelope marked with their full name. Thank you.

We have been asked to remind parents about picking your child up at the end and throughout the day. If your child is getting picked up, please send a note to the teacher regarding this matter. Otherwise, they will be sent home on the bus. We realize that there may be some emergencies, so if you have to pick your child up but didn't get a chance to write a note, you can call the office before 3:00. If you plan to pick up your child at the end of the day, please do so in the gym hallway. Thank you.

\*Mrs. Sremba, our gym teacher, is asking that each child have a separate pair of gym shoes that are to be left here at school for you child. Mrs. Lawton, our art teacher, is also asking that your child have an old t-shirt left in their locker to be used as a paint shirt.

Thank you again for all of your support, and I look forward to a great year. Call anytime if you have questions.

Your Partner in Education,

Laura Finkbeiner 878-6363

\*\*\*\*\*I plan on emailing this newsletter to you today also. If possible, please check to make sure you have received the electronic copy. If you listed 2 preferred email addresses, make sure that it went to both. That will determine if I have the correct email address (or addresses) for you. If you do not receive the electronic copy, please let me know, and I'll get it correct within my records. Thank you!
